

**Fall 2016, Fridays 2:30 – 3:30pm, WB Young Building Room 100**

- Sept 9 Eric Hellgren**  
*Professor and Chair, Department of Wildlife Ecology and Conservation, University of Florida*  
Linking Science and Management: Marsh Rice Rats (*Oryzomys palustris*) in Illinois
- Sept 16 Jonathan Thompson**  
*Senior Ecologist, Harvard Forest, Harvard University*  
Quantifying the Forest Land-Use Regime for New England
- Sept 23 Richard Anyah**  
*Associate Professor, Department of Natural Resources and the Environment, University of Connecticut*  
Making Climate Science Research Use-Inspired: Sharing Experience from Inside a Climate Policy Center
- Sept 30 R. Max Holmes, Institute of Water Resources Invited Speaker**  
*Senior Scientist, Woods Hole Research Center*  
Permafrost, Arctic Rivers, and Global Climate Change
- Oct 7 Joint Graduate Student Poster Session, Department of Natural Resources and the Environment/Environmental Engineering Program**  
*Student Union Ballroom, 12:30 - 2:30 pm*
- Oct 14 Richard Lowrance, Joint Seminar with Environmental Engineering Program**  
*Director, Ground Water and Ecosystems Restoration Division, National Risk Management Research Laboratory, US Environmental Protection Agency*  
Achieving Water Quality Goals through Riparian and Floodplain Restoration
- Oct 21 Nancy Karraker,**  
*Assistant Professor, Department of Natural Resources Science, The University of Rhode Island*  
Role of Illegal Harvesting in the Asian Turtle Crisis
- Oct 28 Pat Megonigal, Joint Seminar with Department of Ecology and Evolutionary Biology**  
*Senior Scientist and Deputy Director, Smithsonian Environmental Research Center*  
Plant Traits and Sea Level Rise Dominate Tidal Marsh Response to Global Change
- Nov 4 Hannes Baumann**  
*Assistant Professor, Department of Marine Sciences, University of Connecticut*  
The Syndrome of Marine Climate Change and Its Effect on Ocean Life: An Experimenter's View
- Nov 11 Jarlath O'Neil-Dunne**  
*Director, Spatial Analysis Laboratory, University of Vermont*  
The Drones are Coming
- Nov 18 Tenley Conway, Joint Seminar with Eversource Energy Center**  
*Associate Professor, Department of Geography, University of Toronto-Mississauga*  
Seeing the Residents through the Trees: Residents' Attitudes and Experiences with the Urban Forest
